

The poster features a decorative border with a blue field containing white stars on the left and top, and red and white horizontal stripes on the right and bottom. The main text is centered on a white background within a black border.

# **Voter Information Fair**

***Come Meet the Candidates***

**Sunday, September 26, 1 - 5pm**

at Sauk Valley Community College, Dixon IL

There will be a wide variety of candidates on hand to meet with voters. Democrat, Republican, Independent, Constitution, Libertarian and Green party candidates will be stationed throughout the East Mall at SVCC so voters will have the opportunity to ask them questions and interact with them one-on-one. This is your opportunity to find out what each candidate really stands for and to base your decision on Policy, Character and Integrity, rather than political party affiliation!

**Come armed with tough questions and see where they stand on the issues that are most important to you**

**This non-partisan, all-inclusive event is free to attend and is open to all candidates who will appear on the 2010 General Election Ballot**
